Licensee, if a grower of HATCH chiles, must pay the appropriate membership fee to become a voting member or maintain such membership in the Hatch Chile Association. This fee, which is subject to change from year to year, is based upon the acreage owned or leased by Licensee for HATCH chiles in the Hatch Valley of New Mexico on the Effective Date. The 2022 fee has been established at a rate of \$10.00 per acre of Hatch Chile grown.
